What a blessing it was to get to know Donna when she worked at One Call Concepts. We talked daily about flowers and family and the people we both knew. Since she left her position several years ago we still remember her fondly. It was so obvious her family was the world to her and I valued her friendship tremendously. Rest in Peace Donna! Your friend, Becky Harbaugh

I was so blessed to be with the Price family growing up. My memories of Donna and Lee are strong. Donna taking me and Jakki to school on cold mornings in her car. I remember Lee cooking Jakki, Donetta and I fresh dinners of his hunting trip kills and he was always working in the family garden. I wonder sometimes what the lack of this family would have changed my whole life. I remember grandmother T. My life is enriched for having known them just the little that I did. I hope I can honor them in life always. Lisa Bratcher Sloan.

Ms. Donna, your graceful beauty, your comforting voice, your eagerness to include others, your strength and your nurturing spirit drew me and so many others to you. I cherish our conversations, the laughter, the tears, the prayers, the hugs.....You truly let your light shine! My heart lifts your beautiful family high. I will forever be thankful to call you friend. Rest sweetly in the arms of Jesus. No more pain. Miss you more than words can express.hearts

I remember Donna so well and with fondness during the years I worked with her at Oak Tree Villas Retirement Center. She taught me so much, not only about the work we were doing at the time but about life. She was a wonderful friend. She will be greatly missed. Mrs. Price was one of the nicest ladies I ever had the pleasure of meeting. After my Mother passed away we decided to buy her house and became Mr. and Mrs. Prices neighbor. My Mother liked to visit with Mrs. Price and enjoyed their chats. I also enjoyed my chats with her. May the Lord wrap her family in His loving arms and bring them peace.
